

# Expressions 2007

## *A Celebration of the Human Spirit*

*The sixth-annual Expressions art event is an opportunity for anyone whose life has been touched by cancer to display artwork.*

*Expressions is a joyous social occasion; a community gathering to celebrate the human spirit.*

*Admission, live music, food & drinks are all free of charge.*

*Cancer not only touches lives, but often leaves a memorable impression that can be powerfully expressed through art. Please join us & pay tribute to the human spirit through painting, music, journal entries, drawings, poetry, quilting, sculpture and much more...*
